FOR REFORESTATION

Reforestation

Great Parks of Hamilton County

Looking to make a large impact in a small area while helping to create new wildlife habitat and greener communities? Working with our partners, Taking Root can help locate large areas in need or reforestation. These plantings may be from 15– several hundred trees depending on tree size and the volunteer resources available on planting day.

Date: October 2014

Project Budget: \$10,000

Volunteers Needed: 50-100

Trees Planted: 100+

Event Time: 6 hours
